

You'd be healthier, too, if you spent *your* winters in Hawaii.

100% of Wisconsin Seed Potatoes must be winter tested to be eligible for certified seed tags.

- While all state seed potato associations winter test their foundation lots, some do not winter test 100% of their certified seed lots.
- Wisconsin does, and this assures you get only the top-quality seed.
- With the Wisconsin Badger State Brand Tag, you get one grade, one standard—certification that counts.

**Don't bet your farm on untested seed potatoes.
